

**MONTANA RECLAIMED LUMBER CO**  
QUALITY ANTIQUE LUMBER PRODUCTS

## ORIGINAL PATINA TIMBERS

These antique timbers came from densely grained, old growth trees and provided the structural framework for agricultural buildings, factories, warehouses, hangers, ship-yards, and other commercial buildings. Produced after the advent of the industrial mill, they range in size from 4" x 4" to 16" x 32" and beyond.
